1.3 Average high temperature:

	2015	
<u>June</u>	<u>July</u>	<u>August</u>
76°F	80 F	67 °F

2. Accidents or injuries

2.1 There were no major incidents or injuries at Wekota or Crescent Beach this summer. The lifeguards did help with cuts and scrapes, and administered first aid appropriately.

2.2 Across all our beaches this summer our staff had more incidents. Due to higher standards for hiring and more rigorous training in preventative guarding, lifeguards were able to respond quickly before any serious injuries were occurred.

2.3 Number of incidents and emergencies across all our beaches.

2011	2012	2013	2014	2015
12	9	3	5	10

3. Groups and parties

3.1 Three birthday party were held at the beach on June 19, July 4, and July 10 at Wekota Beach. Lifeguards asked parent to notify the city of party in the future so the beach can be properly supervised for the event. No problems reported.

3.2 NO parties reported for Crescent Beach

4. Equipment at the beach

4.1 All Lifeguard equipments will be stored at Minnetonka Aquatics during the winter months. The items listed below will remain at the beach.

“ON” sign

B. Recommendations for 2016

1. Equipment requests

1.1 Minnetonka Aquatics request a cell phone, 1 new rescue tube, and 1 new umbrella for Wekota beach.

1.2 Minnetonka Aquatics request cell phone, one new umbrella, and one new rescue tube. Minnetonka Aquatics also request the city replace the damaged Crescent Beach box before summer 2016.

2. Schedule

2.1 Minnetonka Aquatics encourages you to notify us of any groups that will attend the beach on a regular basis, so we can schedule the lifeguards accordingly. We feel the beach hours are appropriate and the schedule should remain the same for 2016.
