

CITY OF TONKA BAY Shoreline Safety Committee

MINUTES SHORELINE SAFETY COMMITTEE October 6th, 2014

1. CALL TO ORDER

The Shoreline Safety Committee was called to order at 6:00 p.m. Members present included Elli Ansari, Ed Bauman, David Wheaton, Chris Hogle Jim Penberthy and Joe Kohlmann.

2. APPROVAL OF AGENDA

The Agenda was approved as submitted.

3. Discussion the Memo Regarding County Road 19

Committee Member Bauman began the meeting by expressing concern about the June 30th date for restricting parking. He thought that June 15th could be the ending date of the restriction because of the bass season. He thought the two weeks at the end of June could burden residents. He also discussed the crappie and walleye seasons. He then stated that he understood that the signs would likely need to have a permanent date on them. Committee Member Hogle asked about posting the land "No Trespassing". Baumann reminded him that we were there to discuss safety issues and traffic concerns. Wheaton provided his understanding of the property lines. He ultimately suggested that the DNR had June 30th for a reason and we should stay consistent with what they had. Ed discussed parking concerns for Manitou Road. Hogle recommended permit parking. Ansari stated that permit parking could be the evolution of this but suggested that the committee recommend June 30th as the date. Bauman expressed concern on the inability of the dates being changed. Ansari stated we should stay consistent with the DNR regulations. Bauman suggested the possibility of posting safety signs for the fishermen and traffic. Wheaton thought the signs would actually promote fishing in the area that is already congested. Penberthy provided a procedural overview. Ansari discussed the possibility of electronic signs. Wheaton moved to approve the recommendations in the Staff Report that included prohibiting parking on Interlachen Lane and West Point Avenue according to the map. Also, in the recommendation included public education and continuing to work with other governmental organizations. All committee members agreed to the recommendation.

4. **Next Meeting Date and Time**
No meeting date was scheduled.

ADJOURNMENT

There being no further business, it was to adjourn the meeting at 6:50 p.m. Motion was seconded. Motion carried.
