Re: Receive CenterPoint Energy Community Partnership Grant

Staff applied for the CenterPoint Energy 2016 Community Partnership Grant for the purchase of two 4-gas monitors in the amount of \$1,700. We were awarded a total of \$850. This will allow us to purchase one 4-gas monitor.

The gas monitor will be used to help with hazardous materials, confined space issues, and other emergency incidents by public works, fire and police in various emergencies.

Jen Stokes from CenterPoint Energy will be at the meeting to present the check to the City Council.

Council Action Requested

Motion to accept the Community Partnership Grant check for the purchase of one 4-gas monitor.
