Re: Resolution Accepting and Approving the Grant Agreement for the
MCES 2014 I/I Grant Program
Tonka Bay, MN

Dear Honorable Mayor, City Council and Staff:

Attached for your consideration is a resolution authorizing the application for grant monies from the Metropolitan Council of Environmental Services I/I Municipal Grant Program.

This program allows municipalities that have been identified as having excessive inflow and infiltration to receive assistance with capital improvements completed between May 20, 2014 and October 30, 2016 that reduce the amount of inflow and infiltration. The MCES has indicated that the sanitary sewer improvements associated with the City of Tonka Bay's 2014, 2015, and 2016 annual Sanitary Sewer Lining Program qualify as capital improvements eligible under the I/I Municipal Grant Program.

I will be available to answer your questions at your September 27, 2016, Council Meeting, or you may call me at (651) 286-8465.

Sincerely,

WSB & Associates, Inc.
