ITEM NO. 7A

Memo

To: Mayor and City Council
From: Lindy Crawford, City Administrator
Date: November 24, 2015
Re: Continue Public Hearing – McMahon, 60 Wildhurst Road

The City Council reviewed a variance and CUP request at their meeting on November 10, 2015. The variance was denied and the CUP was continued. No new plans have been received for review at this time in order to consider the CUP for an exception to the maximum height for an accessory structure on the property located 60 Wildhurst Road. A copy of the letter to the applicant from WSB & Associates is provided in the packet to extend the review period an additional sixty days to February 18, 2016.

Staff is recommending this request be continued to the December 8, 2015 meeting.

City Council Action

Motion to continue the public hearing.
