RE: Notice of Extension of Review Period for the Application Made for 60 Wildhurst Road

To Whom It May Concern,

In accordance with Minnesota Statute 15.99 subd. 3 (f), the City of Tonka Bay is extending the review period for your application made on October 20, 2015 for the consideration of a Conditional Use Permit for an exception to the maximum height for an accessory structure on the property located 60 Wildhurst Road.

The City is extending the review period an additional 60 days, to February 19, 2016, and will render a decision regarding your application prior to that date. The purpose of the review extension is to allow additional time for submittal of revised plans reflecting a new footprint for the structure which meets the maximum area requirement for accessory structure and for staff and the City Council review of those plans.

If you have any questions, please contact Erin Perdu at (763) 287-8316 or Lindy Crawford at (952) 474-7994.

Sincerely,

A handwritten signature in black ink that reads "Erin Perdu".
