Re: First Reading—Amend Section 710, Public Peace

---

As we move into the future and the possibility of holding special events in Tonka Bay, there is a need for a process to issue permits for these events. Section 710 will also need to be amended to allow alcohol in public parks when there is such an event.

A draft special event permit application and instructions is also attached for Council review. Staff has modeled this special event permit after Excelsior and Shorewood language.

Staff is proposing the following amendment to Subd. 710.08:

*No person shall possess, consume, or dispense any alcoholic beverage, 3.2 percent malt liquor or intoxicating liquor in any City Park, unless a special event permit has been approved by the City Council.*

A redlined version of Section 710 with the suggested amendment is included for your review.

## **Council Action**

Following the public hearing, direct staff to move forward with the second reading incorporating the proposed change or adding any changes made at the meeting.
