ITEM NO. 7C

Memo

To: Mayor and City Council
From: Lindy Crawford, City Administrator
Date: November 24, 2015
Re: Public Hearing – Certification of Delinquent Utilities and Fees

Each year the City certifies to Hennepin County all unpaid annual service charges to be collected with the following year's taxes. In addition to the outstanding amounts delinquent, eight percent (8%) interest is added to all accounts. At this time the total to be assessed as of 11/19/15 is \$23,117.91. This amount will be decreased by any payments received up to the final payment date of November 24, 2015 at noon (12pm). A final list of account numbers and amounts will be provided in your packets on Tuesday, November 24th.

State statutes require the City to hold a public hearing regarding the assessment of these fees prior to certifying the assessment roll to the County. Notices of the public hearing have been sent to all delinquent properties. The public hearing is an opportunity for property owners to ask questions and provide comments regarding the proposed assessment.

Council Action Requested:

Motion to adopt the attached resolution for the collection of delinquent charges for the 2015 utility services and miscellaneous fees.
