The application in such case shall be made on a form prescribed by the State Bureau of Criminal Apprehension and with such additional information as the Council may require. If the Council deems it in the public interest to have an investigation made on a particular application for renewal of an on-sale license, it shall so determine. In any case, if the Council determines that a comprehensive background and financial investigation of the applicant is necessary, it may conduct the investigation itself or contract with the Bureau of Criminal Apprehension for the investigation. No license shall be issued, transferred, or renewed if the results show to the satisfaction of the Council that issuance would not be in the public interest. If an investigation outside the state is required, the applicant shall be charged the cost, not to exceed \$10,000, which shall be paid by the applicant after deducting any initial investigation fee already paid. The fee shall be payable by the applicant whether or not the license is granted.

Subd. 2 Hearing and Issuance

The City Council shall investigate all facts set out in the application and not investigated in the preliminary background and financial investigation conducted pursuant to Subdivision 1. Opportunity shall be given to any person to be heard for or against the granting of the license. After the investigation and hearing, the Council shall, in its discretion, grant or refuse the application. No "on-sale" wine license shall become effective until it, together with the security furnished by the applicant, and has been approved by the Commissioner of Public Safety.

Subd. 3 Person and Premises Licensed; Transfer

600.06 PERSONS INELIGIBLE FOR LICENSE

No license shall be granted to any person made ineligible for such a license by state law or who is not the proprietor of the establishment for which the license is

issued. No more than one liquor license shall be directly or indirectly issued within the City to any one person.

Subd. 2 Insurance

Compliance with financial responsibility requirements of state law and of this ordinance is a continuing condition of any license granted pursuant to this ordinance.

Subd. 3 Conduct

Every licensee is responsible for the conduct in the licensed establishment and for conditions of sobriety and order therein. No licensee shall keep, possess, or operate, or permit the keeping, possession, or operation of, on the licensed premises, or in any room adjoining the licensed premises, any slot machine, dice, or any gambling device or apparatus, nor permit any gambling therein, except that which is approved by state statute, nor permit the licensed premises or any room in the same, or in any adjoining building, directly or indirectly under its control to be used by prostitutes or other disorderly persons. Any sale of alcoholic beverages by any employee authorized to sell such beverages in the establishment is the act of the licensee.

Subd. 4. Sales prohibited

No intoxicating wine, liquor or malt beverage shall be sold or furnished for any purpose whatever to a person under the age of 21 years, or to a habitual drunkard, or to a person under guardianship, or to any person obviously intoxicated, or to any persons to whom sale is prohibited by statute.

Subd. 5 Posting

Licensed premises shall have the license posted in a conspicuous place therein at all times.

Subd. 6 Inspections

Every licensee shall allow any peace officer, health officer, or properly designated officer or employee of the City to enter and inspect the premises of the licensee during business hours.

No “on-sale” establishment shall display liquor to the public during hours when the sale of liquor is prohibited.

Subd. 8 Corporate Ownership and Transfer Requirements

It shall be a condition of every license issued to a corporation that the City Clerk be furnished by the licensee with a correct list of all stockholders of a corporation to whom the license is issued and the number of shares held by each, either individually or beneficially for others; it shall be the continuing duty of each corporate licensee to promptly notify the City Clerk of any change in ownership or beneficial interest of such shares. Any change of ownership or beneficial interest of shares of stock entitled to be voted at any meeting of the stockholders of such corporation which results in change in voting control of the corporation by the persons owning shares of stock therein shall be deemed equivalent to a transfer of the license issued to such corporation, and any such license shall be revoked and terminated thirty days after any such change in ownership or beneficial interest of shares unless the City Council shall have been notified of such change in writing and shall have approved thereof. The City Council or any officer of the city designated by it may at any reasonable time examine the stock transfer records and minute books of any corporate licensee in order to verify the names of stockholders and persons voting at meetings of such corporation, and the City Council may cancel and terminate any license issued hereunder to a corporation upon determination by the City Council that any change of ownership of stock in such corporate licensee has actually resulted in change of control of such corporation so as to materially affect the integrity and character of its management and its operation of an “on-sale” liquor business, provided that no action shall be taken until after a hearing by the Council on thirty days notice to the licensee.

600.09 RESTRICTIONS ON PURCHASE AND CONSUMPTION

Subd. 1 Liquor in Unlicensed Places

No person shall mix or prepare liquor for consumption in any public place or place of business unless it has a license to sell liquor on-sale or a permit from the Commissioner of Public Safety under Minnesota Statutes Section 340A.414 and no person shall consume liquor in any such place.

Subd. 2 Consumption in Public Places

No person shall consume liquor on a public highway, public park, or other public place unless the appropriate temporary liquor license has been approved by the City.

600.10 SUSPENSION AND REVOCATION

The Council shall either suspend for up to 60 days or revoke any liquor license, or impose a civil fine not to exceed \$2,000 for each violation upon a finding that the licensee has failed to comply with any applicable statute, regulation, or ordinance relating to liquor. Except in cases of failure of financial responsibility, no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to Minnesota Statutes Sections 14.57 to

14.69 of the Administrative Procedure Act. Lapse of required dram shop insurance or bond, or withdrawal of a required deposit of cash or securities, shall affect an immediate suspension of any license issued pursuant to this ordinance without further action of the City Council. Notice of cancellation, lapse of a current liquor liability policy or bond, or withdrawal of deposited cash or securities shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or bond, or withdrawal of a required deposit, or of suspension or revocation of a license, may request a hearing thereon and if such a request is made in writing to the Clerk, a hearing shall be granted within 10 days or such longer period as may be requested. Any suspension under this paragraph shall continue until the City Council determines that the financial responsibility requirements of this ordinance have again been met.

600.11 PENALTY AND VIOLATIONS

Any persons violating any provision of this ordinance are guilty of a misdemeanor.

600.12 SEPARABILITY

Every section, provision or part of this ordinance is declared separable from every other section, provision or part; and if any section, provision or part of any ordinance shall be held invalid, it shall not affect any other section, provision or part thereof.
