Standard Terms and Conditions

Crius Corp will perform the work outlined in the Proposal. Any request for additional work will require an amendment to the signed agreement.

Crius Corp will perform the services with the skill and care ordinarily used by qualified professionals performing similar work. The customer will notify Crius Corp in writing of any deficiencies within 30 days of completion of our work. The customer will give Crius Corp a reasonable amount of time to correct these deficiencies.

50% down payment is due upon scheduling of the work. The remaining balance is due upon completion.

Crius Corp does not provide any assessments of the presence of environmental contaminants. The customer will notify Crius Corp of any known contaminants or hazardous materials prior to commencement of our work.

During our work, Crius Corp will maintain worker's compensation, commercial general liability, and automobile liability insurance in the minimum amount:

Workers compensation	Statutory amounts
General liability	\$1,000,000 per occurrence
	\$2,000,000 aggregate
Auto liability	\$1,000,000 per accident

Crius Corp will furnish certificates of insurance upon request.

The customer will hold us harmless, indemnify, and defend Crius Corp and affiliates and employees, officers, directors, and agents against all claims, suits, fines and penalties, attorneys' fees and other costs of settlement and defense, which claims, suits, fines, penalties or costs arise out of or are related to this agreement of the services, except to the extent they were caused by the indemnified party's negligence.

All disputes between the customer and Crius Corp shall be subject to non-binding mediation. Either party may demand mediation by serving written notice stating the essential nature of the dispute, the amount of time or money claimed, and requiring the matter be mediated within forty-five days of notice. No action or suit may be commenced unless mediation has occurred but did not resolve the dispute, or unless a statute of limitation period would expire if suit were not filed prior to the forty-five day period.

This agreement shall be governed by the state of Minnesota. The above terms and conditions regarding limitations of Liability and Indemnification shall survive the completion of work under this agreement. This agreement supersedes any contract terms, purchase orders to other documents issued by the customer. These terms and conditions shall govern over any inconsistent terms in the Proposal, except those specifically agreed to in this agreement. The provisions are severable; if any provision is unenforceable, it shall be appropriately limited and given effect to the extent that is enforceable. Nothing in the agreement shall be construed to give any rights or benefits to third parties.
