ITEM NO. 9A

Memo

To: Mayor and City Administrator
From: Lindy Crawford, City Administrator
Date: August 25, 2015
Re: Amendment to 2012-2015 Residential Recycling Agreement

Attached is a copy of the 2012-2015 Residential Recycling Agreement between Hennepin County and the City of Tonka Bay which was approved by the City Council on May 8, 2012. This agreement between the County and Tonka Bay is required in order for us to receive recycling funds every year. The County is requesting an amendment to the agreement in order to extend the contract period for an additional year to December 31, 2016 and to incorporate state requirements to spend additional funding on organics recycling. Cities with organics recycling programs will receive more funds. This amendment is also attached.

Staff submits annual grant reports to the County every February reporting the amount of recycling done in Tonka Bay. As requested, we have become more involved in recycling education through posts on our website, Facebook, newsletter articles, e-mail blasts, and handouts at City Hall.

Council Action Requested:

Motion to adopt the attached resolution authorizing the City Administrator to enter into the amendment to the 2012-2015 residential recycling grant agreement with Hennepin County.
