Re Lifeguard Services Agreement

It is time to renew our Agreement with Minnetonka Aquatics (Minnetonka Public Schools) for lifeguard services for the 2017 and 2018 beach seasons.

As you know, we revised the Crescent Beach Agreement with the City of Shorewood in July of this year. The agreement states that Shorewood will reimburse Tonka Bay for half of the lifeguard costs for Crescent Beach in 2017 and that Tonka Bay is responsible for the costs of the lifeguard services in 2018 and beyond (page 1). The draft Lifeguard Services Agreement reflects this in pricing and is attached for your review and comment.
