Re: Municipal Docks

Municipal Dock Update

We have now gone through both the resident and non-resident waiting lists to rent dock slips. We have five slips available. There are five names on the resident waiting list and one name on the non-resident waiting list. I've sent an e-mail to everyone on the dock e-mail list to see if they want a space and have asked all who are renting slips this year to tell their friends.

The City has rented to two non-residents and still has five open slips. Staff is considering sending out a direct mailing notifying residents of the five available slips.

Council Action Requested:
Discuss the open dock slips.
