Memo

To: Mayor and City Council
From: Robin Bowman, Public Works Superintendent
Date: January 26, 2016
Re: Skid Loader Broom

Staff has found a need to sweep streets from time to time and is requesting to purchase a skid loader broom.

The City contracts this service out, so this would not be used in place of the regular scheduled sweeping. Rather, this would be used as a tool to clean up messes as a result of patching street and after staff mixes sand and salt; projects that are done after the contracted street sweeper is gone. Staff would also like to try it on the hockey rink as well.

Staff is recommending the Lano Equipment of Norwood 72" skid loader broom based on price.

<u>Vender</u>	<u>Total Cost Estimate</u>
Lano Equipment of Norwood, Inc.	\$2,894.50
