

# Memo

**To:** Honorable Mayor and City Council  
**From:** Joe Kohlmann, City Administrator  
**Date:** July 8, 2014  
**Re:** Municipal Docks – Bog Issues

---

The City has received a number of complaints from municipal dock renters that portions of the bog keep breaking off and entering the boating area. Staff has contacted a contractor on three separate occasions and has had to cancel him three times because the bog eventually moves across the lagoon.

The latest incident seems to have brought a major section of the bog to shore. However, there is still a chance that other portions of the bog could break away.

The cost to remove the bog sections as they come is \$1,000 per time.

**Recommended Motion:**  
Discuss the bog issue.
