Re: Recycling Oasis

As a part of Hennepin County's Recycle Everywhere campaign, they're reaching out to County residents at events through the creation of a Recycling Oasis. The Oasis, similar to a pop up park or parklet, is made of all recycled materials and is about the size of one parking space. It is brought to events throughout the County and can be located anywhere in the City. Residents will be encouraged to sit back, relax and learn more about recycling efforts.

Staff is proposing the Oasis be reserved for an afternoon in September or possibly Saturday, October 4, the same day as the Fall Clean up event in Tonka Bay and hazardous waste collection in Shorewood. The Oasis would be parked in the municipal parking lot.

Council Action Requested:

Motion to approve the Recycling Oasis event.
