

# Memo

**To:** Honorable Mayor and City Council  
**From:** Joe Kohlmann, City Administrator  
**Date:** June 11<sup>th</sup>, 2013  
**Re:** Municipal Dock Gates

---

In 2012, the City budgeted \$7,500 for three new municipal dock gates. City Staff hit a road block because the previous quotes that led to the \$7,500 budget figure did not include designing the dock gates. Councilmember Grothe has helped jumpstart this initiative by providing City Staff with designs for the gates. (*attached is a copy of the design Councilmember Grothe provided*).

City Staff contacted Victoria repair and received a quote for \$2,250 per gate (*quote is handwritten on attached gate plans*). Totaling **\$6,750**.

Staff also received quotes for sandblasting and painting the dock gates from Hanson Sandblasting. Their quotes are \$300 for sandblasting and \$500 for powder coating, totaling **\$800**.

City will be able to install the gates at minimum costs.

The **total** for the construction of the three gates, sandblasting and powder coating is **\$7,550**.

**Council Action Requested:**

Motion to approve the municipal dock gates in the amount of \$7,550.

**Joe Kohlmann**

Here you go

Will we just get one bill from you on the sand blasting and Painting or will we get 2 on e on the sand blasting and one on painting?

*Thanks!*
