FAQ's

What if I'm in the process of renewing my watercraft license or insurance?

Please ensure these are renewed as early as possible. Watercraft licenses can be renewed before the end of the year. Insurance can also be renewed ahead of time.

What if I don't want a dock this year? Can I just take a year off?

Unfortunately, with a long waiting list, anyone who gives up a dock cannot get one the next year. You can fill out a dock waiting list application and your name will be added to the bottom of the waiting list.

What if I want to submit today but don't have my watercraft license or insurance form with me?

The city requires all documents in one submittal each year.
