

HIGH WATER MARK

1070.09 MINIMUM SETBACK REQUIREMENT.

The following chart sets forth the minimum setback standards within the Shoreland Overlay District.
Subd. 1. Ordinary High Water Mark. Fifty (50) feet or as regulated in Section 1011.03.5.d. of the Zoning Ordinance.

Subd. 3. Limitations. No impervious surface coverage shall be placed, located or constructed within fifty (50) feet of the ordinary high water level, except for stairways, lifts and landings as allowed for in Section 1070.12 of this Ordinance
