920.02 NUMBERING SYSTEM FOR RESIDENTIAL AND COMMERCIAL BUILDINGS

Subd. 1 All residential and commercial buildings in the city shall be numbered in accordance with the card file currently maintained by the City Clerk and as the same may be amended or altered in the future by action of the City Council.

Subd. 2 The City Clerk shall maintain a card file, to be available for inspection at all reasonable times, showing the number assigned to each residential and commercial building currently constructed in the city, and shall assign a number to each new residential or commercial building to be constructed in the city upon application for the building permit for the same.

Subd. 3 It shall be the duty of the owner of each residential and

commercial building in the city to display in a place visible from the street figures at least 2-1/2 inches high showing the number assigned to said building. Said figures shall be installed no later than six months after being assigned a number by the City Clerk.

Subd. 4 Any person violating the terms of this ordinance shall be guilty of a petty misdemeanor.
